

EVANGELISM

DEDICATION PRAYERS

- Heavenly Father in Jesus' name, we reacknowledge:

- 1. Our total dedication to You for the sole purpose of the spread of the Gospel and the development of our abilities and free will use of time and resources to that end and to lead us in our employment and weekly use of time for greatest efficiency and fruitfulness to that end ; and our commitment to be Your disciples , to evangelize whatever town you put us in ; and we give up our rights and our right to have any rights and we give You the right to do with our lives as You see fit and in light of this commitment we put our trust in You for all our needs financially and materially.**
- 2. We also reacknowledge the commitment of our spirit, soul and body; heart, mind and emotion and material resources and total strength to the work we have committed ourselves to do in You in writing and distributing Evangelism Material and we will to fight off anything or suggestion of the enemy to the contrary to these commitments.**
- 5. In the name & the blood of Jesus Christ of Nazareth, Satan, we bind you, we bind you hindering spirits, we bind you spirits of the prince of the air, we bind**

you evil forces; we command you to take your hands off of these commitments. You are not to hinder us in them nor influence us in them in any way shape or form. In Jesus' name we bind you Satan and command you to be gone forever!

- 6. Lord, in light of these commitments, we give up all soul relationships to self, to relatives, to the world and to material things; and we give You the right to decide what relationships we shall have for Your will and purpose in all these areas. We also pray that when our flesh begins to cry out for satisfaction, that You would immediately prompt us to get down on our knees and cry to You for Your Holy Spirit grace, strength and power to want only Your will, nothing else. We do and pray this by faith in Jesus Christ of Nazareth's name amen.**
