

# How to Pray for the Salvation of Others

Male

Female

For Many

**\*Male**

Heavenly Father in Jesus' name I pray for the anointing of Your Holy Spirit upon so and so and ask You to convict him of his sin and his need of You as Savior and Lord and that you would so arrange his life and circumstances and relationship with others that it brings him to the end of Himself, to a saving knowledge of who You are and to surrender to You as Savior and Lord, to serve You, to be Your disciples, to preach the Gospel and to get involved in the battle of the souls of men regularly and weekly. By faith thank You for hearing these prayers and thank You for the answer to these prayers in Your name, Jesus, amen.
